A key aspect of mission involvement that needs special thought and planning is missionary care.

Dimension 3: Kinds of Involvement:

1. **Catalyst:** High ministry involvement (i.e. prayer, people, time, money, etc.) in a context of limited local/indigenous leadership.
2. **Partner:** High ministry involvement in a context of established local leadership (i.e. local leaders initiate and oversee ministry).
3. **Supporter:** Low ministry involvement (usually limited to money and occasional prayer) in a context of established local leadership.
4. **Benefactor:** Low ministry involvement (sending money) in a context of limited local leadership.
